The Thirty-second Williamsburg Conference

of the

Aerospace Industries Association of America, Inc.

May 24, 25, & 26, 1978

INDEX

PAGE

I	General Information	1-2
II	Conference Schedule	3-4
III	Transportation	5-7
IV	Speaking Program	8-9

May 11, 1978

I. GENERAL INFORMATION

While in Williamsburg, Aerospace Industries Association will be the Conference host. Upon arrival please stop by the Office (Room 3127 of the Inn) and pick up additional information and name tags.

HOUSING

Will be in Providence Hall, The Inn and The Lodge. You need not and should not make your own reservations. If using AIA arranged transportation, your room assignments will be made known as you board the plane. If providing your own transportation, please check at the Front Desks of The Inn or Lodge upon your arrival in Williamsburg.

ACTIVITIES

Will occur in various places at The Inn and Conference Center. Details of the time, nature, and location of these activities are set forth elsewhere in this pamphlet. You are also reminded that Conference activities are limited to industry representatives and invited guests.

DRESS

Is informal. Most conferees wear sport clothes during the day, but change to a business suit or sport jacket with shirt and tie for the evening dinner sessions.

RECREATION

Those planning to play golf should arrange for starting times by phoning the ProShop as early as possible. If the AIA staff may assist you, they will be happy to do so.

If you plan to play tennis, please be advised that the courts will be open at 6 A.M. on Thursday and Friday, May 25 and 26.

2.

Should you have any questions, please contact the office of:

Samuel L. Wright
Aerospace Industries Association
1725 DeSales Street, N. W.
Washington, DC 20036

Phone: (202) 347-2315, Ext. 215

After May 22, please call:

AIA/Williamsburg Office

Phone: (804) 229-1000, Room 3127

Alternates plus Representatives of other AIA
Member Companies, limited to two representa-
tives per company.)

12 NOON

Informal Reception - The Inn Terrace

12:30 P.M.

Buffet Luncheon - The Inn Dining Room

III. TRANSPORTATION

(All times are Eastern Daylight Saving Time)

AIA ARRANGED TRANSPORTATION

WEDNESDAY - MAY 24

10:00 A.M. - Piedmont Charter from Washington National.

At 10:00 A.M., plane doors will be closed for taxi and takeoff.

Please arrange to be at the Commuter Terminal (adjacent to the North Terminal in the same building as the General Aviation Terminal) Washington National Airport, no later than 9:30 A.M. so that baggage can be tagged and loaded. Arrival at Williamsburg, including ground transportation from Patrick Henry Airport, will be at approximately 11:30 A.M.

Ground Transportation: At Patrick Henry Airport, there will be separate vehicles for each of the three housing accommodations. These limos will be clearly marked and you should use the vehicle for the building in which your assigned room is located. Your luggage will also be loaded on this vehicle so that it will arrive with you at your destination. (For example: If you have been assigned to a room in Providence Hall, your luggage will have a green tag and the vehicle will have a green sign with "AIA/Providence Hall" in the window.)

No other AIA transportation to Williamsburg has been arranged for Wednesday, May 24. You are advised that Williamsburg receives regular airline service (to Patrick Henry Airport/Newport News) via Piedmont and United Airlines. If your schedule precludes your using the 10:00 A.M. flight, we will be pleased to assist you in making alternate arrangements.

FRIDAY - MAY 26

Transportation from Williamsburg. All those utilizing AIA transportation will be returned to Washington National Commuter Terminal, arriving at approximately 3:00 P.M. Departure from The Inn will be immediately following the luncheon promptly at 1:15 P.M.

FOR THOSE PROVIDING THEIR OWN TRANSPORTATION

Company Aircraft Arrivals

You may fly to either Patrick Henry Airport or to the Williamsburg/Jamestown Airport. If we have not been advised of your ETA, please do so. If this will not be known until shortly before your departure, please have your office transmit this information to our Washington Office through May 22. After that, please contact the AIA/Williamsburg Office. Ground transportation will meet you.

Military and Government Aircraft Arrivals

Past experience indicates most government aircraft will fly to Patrick Henry Airport.

If you plan to arrive at Patrick Henry Airport and we have been advised of your ETA, ground transportation will meet you. If your ETA has not been made known to us, please have your office transmit this information to the AIA Washington Office through May 22. After that, please call us collect at our Williamsburg Office.

If you plan to fly to one of the nearby military airports (Fort Eustis or Langley Field), we suggest you call on the Motor Pools for transportation to Williamsburg or let us know if we can assist you by providing ground transportation.

Commercial Flights

If you plan to arrive by commercial aircraft, please advise us of the flight number, airline and arrival at Patrick Henry so that we can arrange for ground transportation to meet your flight.

Arrivals by Car

If you have not advised us, information regarding your expected arrival time would be greatly appreciated. Upon arrival in Williamsburg, the Front Desks of The Inn or Lodge will inform you regarding your room assignment.

Ample parking space is available adjacent to Providence Hall, The Inn and the Lodge.

Departures - Military or Company

Ground transportation to airports will be available at all times. If your departure will be at other than the scheduled time for all, please be sure that we have your departure time, either prior to or while you are in Williamsburg.
